

Opportunities International business model

Opportunities International is the first and only company in Australia to offer all-inclusive international student and professional internship programs with end to end services including all visa processing, comfortable accommodation in convenient locations, job placement on arrival, all relevant certificates for our customer's job of choice, and once in Australia a day tour, bank account opening and creation of tax file number and Australian business number which are requirements of the Australian government for unlimited work.

The previously mentioned is possible thanks to our vertical integration business model which allows us to have full control of the quality provided by our partners and affiliated educational service providers to make sure we provide the highest level of optimum services by controlling the full process of the operation, reduce costs and significantly improve efficiency.

The following is a detailed explanation of the benefits of our customized all-inclusive programs in Australia.

Job on arrival

Our students will have a secured job vacancy of their choice that aligns with their experience and preferences with one of our partner companies as soon as they arrive in Australia.

We will conduct an interview in advance of arriving in Australia with the applicant regarding selecting their desired field of employment.

No other agencies do provide such a service, and all student needs to work in Australia for supporting their living expenses.

Accommodation on arrival

We offer private apartments to our students in comfortable spaces and convenient locations nearby to their place of work to save our students thousands of dollars a year in public transport, some of the locations of our buildings are; [Marrickville](#), [Randwick](#), [The Rocks](#), and [Ultimo](#) which are top-notch locations in Sydney.

The accommodations on offer are fully furnished houses and apartments, with unlimited high-speed internet, very comfortable and secure. Furthermore, we do offer a sub-lease contract that is very useful in Australia for establishing credits with the banks.

The offered accommodations are furnished with brand new beds, fridge, washing machine, and TV, we have thought of everything to make your stay comfortable and easy.

An additional benefit of the accommodation on arrival is the fact that our students will be acquiring credit points in Australia which could be used in a later instance to request loans, credit cards, and other bank services.

Visa for the life of course

The visa will be granted to you for one month more than the time of your course. For example, if you do a twelve-month course you may be issued a thirteen-month visa. This allows you to stay in Australia for one month after graduation to travel, relax, and enjoy your experience. The student visa can be granted for any length of time up to 5 years.

First-term of study

Each year a student will study for four terms. One term average six to twelve weeks. Our students arrive in Australia with their first term already paid and will pay for the following terms once the first term of their course of choice has been completed.

In short, the entire cost of the first term of study in Australia has been included in the Opportunities International offered package, depending on the selected course.

Vocational Course Enrolment

Vocational Education and Training (VET) is an Australian education and training program that focuses on providing skills for work and a practical learning experience. In Australia, vocational education is designed for people wanting to learn a new trade, enter the workforce, change careers, or study while learning English. Vocational qualifications are recognized by universities, industry bodies, and government authorities all through Australia and around the world. VET qualifications are also recognized by the Department of Immigration in Australia.

English Course Enrolment

[Astley English College](#) is our main provider of English education. Astley English College is a CRICOS accredited, Sydney based English language school that specializes in General English, IELTS Preparation, and English for Academic Purposes. Astley English College will help you assess your English ability by taking an online test. This test helps you to determine how long your English course will need to be.

QUALITY OF EDUCATION

The Australian Government ensures that all students will experience a good quality education while in Australia. To give students assurance about their chosen college the Federal Government requires all colleges to be licensed with a CRICOS license and audited regularly. This ensures all colleges are safe, genuine, and recognized. CRICOS stands for Commonwealth Registry of Institution and Courses for Overseas Students. By doing this the government can recognize the course you study if you choose to change visas.

University Course Enrolment

Opportunities International provides support and guidance for students who choose to apply for a University course after their initial vocational and English studies have been completed. We have a close relationship with [The Australian School of Accounting](#) and several other universities around Australia.

Red Alert Emergency Card

This is an emergency card designed to help others help you during a time of emergency. If you have a medical condition or speak English as a second language this card will help you stay safe during times of emergency. All you need to do is keep the card next to your license or ID card in your purse or wallet.

Overseas Health Care Cover

In Australia, you need to have prepaid health cover for the entire time of your stay as a student. This insurance is known as Overseas Student Health Cover (OSHC).

OSHC assists you with the costs of emergency medical treatment, ambulance travel, and hospital care while in Australia. OSHC also includes coverage of certain prescribed medications.

This is required for your visa approval. Opportunities International will complete your insurance application on your behalf. We will be setting you up with the best Australian Health Insurance company to ensure you are covered properly while you are in Australia.

Airport Pickup

Free airport pickup is provided upon your arrival.

Australian phone number & mobile SIM-card

Upon arrival, you will be provided with an Australian mobile SIM-card to insert into your mobile phone. This will give you cheap, easy access to the Australian telephone network, so you call home and tell them you have happily arrived.

Day Tour - City Orientation - Neighbourhood Orientation

Once you have arrived in Australia and have settled into your new home, Opportunities International will take you on a day tour of the city and its outskirts. You get to see some of the exciting parts of Sydney and share the experience with fellow new students too.

Opportunities International will also give you a neighborhood orientation. We will take you around your new neighborhood to show you where all of the cafes, public transport points, shops, and facilities are located. Once we have shown you around your neighborhood, we will take you to open a new bank account, register an Australian Business Number (ABN) and register for your Tax File Number (TFN).

ABN, TFN & Australian Bank account

The Australian Business Number (ABN) is a unique 11-digit business identification number issued by the Australian Business Register (ABR) which is operated by the Australian Taxation Office (ATO). In Australia, an ABN number is required for doing business of any sort for unlimited hours in any industry by the new arrivals. A Tax File Number (TFN) is a unique individual identification number issued by the Australian Taxation Office (ATO). This allows you to work legally in Australia as an employee. The TFN serves a purpose like the American Social Security number. The TFN is required to be employed under a contract with any kind of business or company.

College Induction

We want our students to know where they are studying, whom they are studying with, and what they are studying. We make sure our allied colleges give the proper preparation and induction to our students for them to feel welcome and comfortable within their new study environment.

Industry Certifications & work kit

Australia is a very well-regulated country. All industries require a certain level of certification and licensing for you to qualify for job placements. As an added value we offer our students the chance to obtain their required certificates and permits to be job-ready in Australia. They will enroll in their work-field specific certifications, and some of them can be obtained even before arrival.

After completion of your visa application, we will enroll you in these classes online while you are still in your country, and after arrival to Australia you only need to take a picture, and the course license that you have completed will be issued.

Barista Course

This is required for work in coffee shops and some restaurants. You will learn how to use a coffee machine safely and professionally while being able to make a tasty coffee.

RSA (Responsible Service of Alcohol)

This is a certificate required by law to be able to sell alcohol, serve alcohol, and work in an alcohol-related business/industry. 18+ is the legal drinking age in Australia.

RCG (Responsible Conduct of Gaming)

This is a certificate required by law for working in casinos or any gambling-related environment.

Food Handlers Course

In Australia, it is required that everyone who works in the food industry needs to complete a Food Handlers Certificate. This is a nationally recognized certificate that teaches you about food safety and hygiene. Once this is completed you can work in kitchens, restaurants, factories, and cafes.

Working With Children Check

This is a national security check that ensures everyone who works with children is a good person by character. It requires a criminal history check and is needed if you wish to work with children, disabled people, or elderly people.

White card

A White Card is an official ID card that shows you have completed the "Prepare to Work Safely in the Construction Industry" course. Anyone who works in the construction industry is required to have this card. Inspectors often check to build sites randomly to ensure everyone is safe. Anyone without a white card will be issued a fine and sent home until they have one. Safety is the number one priority in the Australian construction industry.

Driver's License assistance

Depending on which country you come from you may be required to change your driver's license to an Australian driver's license once you are here. If that is required, we will help you complete the paperwork and complete the process.

A Colombian driver's license is valid in Australia for the first six months. After six months they are required to apply for a local driver's license. We happily provide guidance and assistance for this process upon request.

Fun and affordable travel options

We refer our students to the best and most affordable travel options to travel all around Australia.

Tax Return processing assistance

The Australian tax year starts in July and ends in June. Everyone is required to lodge a tax return in Australia. When you lodge a tax return there is no upfront cost as the costs are subtracted from your return. We will have an accountant to help you lodge your first year's tax return at no extra charge.

The Cost of Package we offer:

The cost of the package offered above is USD 8500 and we do not have any hidden fees or charges, the fee includes the followings:

- Visa for the life of study in Australia
- OSHC (Overseas Student Health Cover)
- First-term payment for English or Vocational college.
- Enrolment fee for vocational college, as your mandatory second COE.
- Security deposit for your accommodation
- First four weeks of accommodation in your fully furnished apartment
- Required industry related certificates. (Refer to INDUSTRY CERTIFICATION & WORK KIT section)
- Airport pickup
- SIM card for your phone service
- Red Alert Emergency Card.
- Process of ABN, TFN, and opening of a bank account, which is essential for employment purposes.
- Most importantly a secure well-paying job upon arrival.

Processing time

As soon as we receive all the required documentation and the fees from you, we start the process and on average we can complete the visa process and college enrolment is around forty-eight hours.

Required Documents

We have simplified the process of document submission for our clients in Brazil, Colombia, Turkey, Venezuela, Thailand, Bangladesh, and Vietnam.

All you need to do go to the following link chose your country, and the system will generate the list of documentation required for the process of your visa application.

Prepare them, go to our website opportunitiesinternational.com.au, select your account function, login and upload all your documents for processing.

Payment Options

We do offer two options for payment:

A. Credit Card option through the secure portal on www.opportunitiesinternational.com.au.

Please note that the charges will be reflected in AUD (Australian Dollars)

B. International Bank Wire transfer

It is the most cost-effective method for the students as it avoids credit card processing charges, and we do accept international transfers in USD or AUD.

In general, banks provide a better exchange rate from your local currency to USD for example COP or Brazilian real, than credit card processing companies.

Professional internship program

The Professional Internship Program is designed for professionals who want to further their career internationally and have an exciting travel experience too. This program opens the door to a lot of skilled migration opportunities in Australia too. One of the many benefits of our Professional internship program is that it doesn't have an age limit to apply for it. This means you can apply as long as you have twelve months of professional experience that was acquired within the last two years and that you are over the age of 18.

The visa obtained through this program is called a training visa (subclass 407). The Training visa allows our customers to take part in workplace-based occupational training activities to improve their skills for their job, area of tertiary study, a field of expertise, or in a professional development training program in Australia.

With this visa, our customers can visit Australia to complete workplace-based training (to improve their skills for their current occupation, area of tertiary study, or field of expertise), or a professional development training program. This is a temporary visa. The government may grant a visa stay in Australia for up to two years. After the 407 training, you will have several other options to stay in Australia longer.

Our customers can leave and re-enter Australia on the visa while it is valid.

Family members can be included. This visa allows you to bring your family with you to Australia while you do the internship. Each family member will need to do a health and character assessment for their visa.

Nomination types

This visa allows people to take part in workplace-based training to improve their skills for their job, area of tertiary study, a field of expertise, or in a professional development training program in Australia. Nomination requirements are different depending on the purpose or type of training.

There are three types of occupational training covered by this visa:

- [Occupational training required for registration](#)
- [Occupational training to improve skills in an eligible occupation](#)
- [Occupational training for capacity building overseas](#)

This includes overseas qualification, government support, or professional.

The nomination is the stage where the sponsor provides details about the nominee (intended trainee), the purpose or type of training, and how and where the training will be provided.

How long you can stay

This is a temporary visa. We might grant you a visa to stay in Australia for up to 2 years.
You can leave and re-enter Australia on the visa while it is valid.

Stay longer

You can't stay in Australia longer by extending this visa.
You can apply for another visa. [Explore visa options.](#)

Include family

You can include members of the family unit in your application when you apply. You can also add family members to your application after you apply but before we decide on your visa. Family members who apply for the visa with you must also meet our health and character requirements.
If you apply for this visa from outside Australia, family members who are coming to Australia might also have to meet our [health requirements](#).

Subsequent entrants

If we grant you the visa, your family members might be able to apply to join you in Australia later as a subsequent entrant.
They can do this using the Temporary Work and Activity Visa (Subsequent Entrant) (403,407,408) form in [ImmiAccount](#).
Family members applying subsequently should be listed on the nomination form if their sponsor is not a Commonwealth Government Agency, and provide a letter from the sponsor of the primary applicant confirming the sponsor has agreed to sponsor them

Qualified Industries

There are more than two hundred and ninety long term career options on the 407 visa list that are in demand. There are more than two hundred and fifty short term careers available for this visa option too. To see the full list click this link <https://www.legislation.gov.au/Details/F2018L00300>

The industry options vary from landscapers to Neuroscientists. There are many, many options. Including but not limited to Chefs, Carpentry, Company Secretary, Restaurant Manager, Fitness Centre Manager, Tennis Coach, and Florist through to Neurosurgeon, Dentist, and Biological Engineer.

There are two visa categories - short term and long term.

There are more options if you choose to go regional.
