

OPPORTUNITY INTERNATIONAL PTY LTD

ACN: 643 924 976

Migration Agent Registration Number (MARA): 1463421

What do we do? What services do we offer?

Opportunities International provides international students with all of the services and necessities needed to work, study, and live in Australia. Opportunities International looks after the process from start to finish and focuses on Vocational Education and Higher Education Colleges.

Opportunities International has an extensive number of colleges and universities as partners in Australia on offer for its students and does assist in selecting the right college or university for all international applicants.

Opportunities International is the only educational and student recruitment company that offers jobs on arrival for its students, as well as full luxury accommodation at affordable prices fitting students' budgets. Opportunities International owns leases and properties across Australia and does provide them on very affordable long-term based leases to new international students arriving in Australia.

What does Opportunities International offer differently to others?

We take care of your full package from start to finish. This includes your visa application. There are very few international student recruitment agencies in Australia who are permitted by Australian Immigration law to offer visa processing services, or advice, as it requires being a registered immigration adviser – We are registered. Our partnering immigration lawyer is Edward Miller who has dealt with several thousand visa applications in all visa categories for Australia. [Miller & Co. Immigration](#)

The cost of your visa application and legal advice is included in your package and comes at no extra cost.

Also, Opportunities International specializes in ([Subclass 407 Training visa \(homeaffairs.gov.au\)](#))

Opportunities International's **specialized educational service consultants are available on LIVE hours.**

Opportunities International consultants do work in your country live from 8.00 am to 6.00 pm each day. We cover Colombia, Brazil, Turkey, Venezuela, Argentina, Vietnam, Thailand, and Bangladesh.

So, you can reach our consultant anytime by emailing them by going to our website, and we guarantee that someone will call you and contact you within one hour.

We will then set up a free online consultation with you and offer you all the brochures and catalogs covering all matters of importance, such as university and college fees, employment in Australia, visa and what documentation you need to submit, to us and many other frequently asked questions.

All of Opportunities International's consultants are specialized and have full knowledge of the entire process of recruiting international students and answering their questions categorically about, selection of courses, visa process, employment, and accommodation in Australia. They are here to help you get ready for a life-changing experience in Australia.

Pricing

Opportunities International guarantees to offer the most competitive pricing with no hidden fees or extra charges. One fee paid one time for the entire process of you arriving in Australia includes everything. The process is as follow:

- Online consultation is conducted over a Zoom meeting where you select your courses of study. This will go for approximately one hour.
- Online consultation conducted over a Zoom meeting to select your employment and accommodation in Australia. This will go for approximately one hour.
- Completion, payment, and process of required documentation and the chosen package. (We have made the process of document submission easy and simple, you will receive a link for uploading them to our secure servers). We also translate and certify your documents as a part of your package.
- We enroll you in your selected course and college. We then send you a confirmation of enrolment (CoE).
- We complete your Overseas Student Health Cover for you. This is mandatory for your visa. We send you the confirmation receipt. We deal with Allianz insurance.
- Edward Miller, Opportunities International partner, and immigration specialist will process and complete your visa, we will inform you immediately upon approval or if more is required.

As a special offer for the month of February and March, we offer free online English courses, conducted by one of the best English schools in Australia, ASTLEY COLLEGE (Home-5 - (astleycollege.nsw.edu.au)) until you arrive in Australia.

- You will go to the calendar section of the Opportunities International website and select an arrival date and enter your international flight details. We will be at the airport waiting for you and will take you to your new home in Australia.

WELCOME TO AUSTRALIA

As soon as you arrive in Australia, we will pick you up from the airport and take you to your new home where you will relax and rejuvenate in your luxury, fully furnished all-inclusive accommodation.

The next day we will meet with you in the city to sort out all of the remaining paperwork, give you a proper welcoming, set you up with work, industry licenses, your bank account, tax file number, and ABN. From there we will take you on a half-day tour of the city and show you around where you are living.

The next day we will take you on a day tour outside of the city to show you some of the highlights of Sydney and to give you an idea of where you are living.

The next day once you have recovered from your day tour, we will sit you down and take you through what is needed to finalize employment requirements and introduce you to your new job and employer once ready. We will also take you to see where you will be studying and to meet some of the staff at the college.

Opportunities International wants to make sure everyone has an amazing time while they are in Australia. We are here to make you feel welcome, safe, comfortable, and excited about being in Australia. We to make sure you want to tell your friends about us. This is why our slogan is Your story is our success.
